**THE CHEMICAL SOCIETY OF JAPAN ("the CSJ")  
COPYRIGHT TRANSFER FORM**

Name of Chemical Society of Japan Publication: *Chemistry Letters*

The Title of the Manuscript: \_\_\_\_\_

The Author(s) (names and affiliations). Please note: all Authors must have been informed of the full content of the manuscript at the time of initial submission.

If the Author(s) does not own the copyright of the manuscript, state who the copyright-holder is (giving name and address) and state why the Author(s) does not own the copyright in the manuscript (e.g., the Author(s) prepared the manuscript for an employer).

*The undersigned, with the consent of all authors, hereby transfers, to the extent that there is copyright to be transferred, the exclusive copyright interest in the above cited manuscript, including the published version in any format, to the **Chemical Society of Japan** subject to the following (If the manuscript is not accepted by CSJ or withdrawn prior to acceptance by CSJ, this transfer will be null and void.):*

**1. Copyright Transfer**

The Author grants to the CSJ the exclusive right throughout the world to edit, adapt, translate, reproduce, and publish the manuscript, and a non-exclusive right throughout the world to edit, adapt, translate, reproduce, and publish the Supporting Information in all formats, in all media, and by all means (whether now existing or in future devised). This Copyright Transfer Form is valid for the full term of copyright in the manuscript throughout the world (including all renewals, extensions, and reversions). The copyright specified above may be transferable by the CSJ and include the right to sub-license. The CSJ may sell or distribute the manuscript within a journal, on its own, or with other related material.

**2. The CSJ Copyright Ownership**

It is the formal policy of the CSJ to own the copyrights to all copyrightable material in its technical publications and to the individual contributions contained therein, in order to protect the material against unauthorized copying and other misuse, at the same time, to facilitate the appropriate reuse of this material by others. Furthermore, in case of a request from third parties to republish all or part of the material we publish it can be efficiently dealt with (e.g. Reproduction Rights Organizations such as the Copyright Licensing Agency and the Copyright Clearance Center and document delivery suppliers. The CSJ distributes its technical publications throughout the world and does so by various means such as hard copy, microfiche, microfilm, and electronic media. It also abstracts and may translate its publications, and manuscripts contained therein, for inclusion in various compendiums, collective works, databases and similar publications.

**3. Author Responsibilities**

- (a) the submitted manuscript is the original work of the Author(s) and not copied (in whole or in part) from any other work or matter or (if the manuscript includes copyright works of persons other than the Author(s)) the manuscript is substantially the original work of the Author(s) and all necessary permissions have been obtained for use of such copyright works of such other persons. If necessarily, make use of the "COPYRIGHT PERMISSION REQUEST FORM".
- (b) the manuscript has not been and will not prior to publication by the CSJ be published. This includes both printed and electronic preprints.
- (c) the exercise of the rights granted to the CSJ by this Copyright Transfer Form will not infringe the copyright of any person or result in any breach of confidentiality or the breach of any contract or of any law.

**4. Retained Rights/Terms and Conditions**

The Author(s) may, without seeking permission from the CSJ, provided that copyright credit is given to the source and the CSJ, that recipients are informed necessarily that they may not further disseminate or copy the manuscript.

- (a) reproduce/republish portions of the manuscript (including the abstract);
- (b) photocopy the manuscript and distribute such photocopies and distribute the PDF of the manuscript the CSJ makes available to the corresponding Author of the manuscript after publication for personal or professional use only, provided that any such copies are not offered for sale;
- (c) republish the manuscript in the scholarly, research papers of the Author(s) in printed form and make available the PDF mentioned in (b) above in the theses of Author(s) via any internal website that the university of the Author(s) may have for the deposition of theses;
- (d) make available the PDF mentioned in (b) above via the personal website(s) of the Author(s) or via the Intranet of the organization(s) where the Author(s) works;
- (e) revise or adapt the manuscript and reproduce adaptations of the manuscript for any purpose other than the commercial exploitation of a manuscript similar to the original;
- (f) reproduce, perform, transmit, and otherwise communicate the manuscript to the public in spoken presentations (including those which are accompanied by visual material such as slides, overheads and computer projections).

The Author(s) must submit a written request to the CSJ for any other use than those specified in Clause 4. All cases of republication/reproduction must be accompanied by an acknowledgement of first publication of the manuscript by the CSJ in the form:
